Dear Pastor (**name**),

I am writing to share with you a wonderful ministry opportunity I am going to have this summer. I am going to be a camp counselor at the Marmon Valley Ministries *Horse Summer Camp*. The camp offers boys and girls, ages 7-17, a week filled with horsemanship lessons and other great activities like archery, swimming, a climbing gym and a ropes challenge course. And every day there is time devoted to Christ-focused Bible study and fellowship.

For many of the campers, this is the only chance they have to get away from city life, experience life on a farm and learn about Jesus. It is amazing how the land and the farm are part of the ministry side of camp, as we incorporate the wonder of God's creation into spiritual lessons.

**(Insert some more personal reasons why you are excited about camp).**

I do not need to raise money to support the ministry I will be doing. In fact, I will be getting paid! But I would like to ask the church to consider partnering with me in this exciting ministry by making a donation to the Marmon Valley Ministries *Horse Camp Scholarship Fund*.

The cost of one full week of camp for one young person is \$600. All campers are asked to pay at least \$100 of the cost. In a few extreme cases, even this \$100 fee can be included in a scholarship. We are hoping to have 750 campers this year and would like to offer a full or partial scholarship to at least 50 of them.

A donation of any amount from our church would be greatly appreciated and will help change a child's life for eternity. Marmon Valley Ministries is a 501(c)(3) non-profit and donations are tax-deductible.

I would be happy to give you more information on the camp or have someone from the ministry contact you to set-up a meeting or a presentation to the church.

I will call soon to follow-up.

In His Service,
